THE SEACOAST SCHOOL OF TECHNOLOGY
PRESENTS THE 13th ANNUAL
SUMMER CAMPS FOR MIDDLE SCHOOL STUDENTS

Exciting summer camps will be offered once again to students who are **currently** in the 5th, 6th, 7th or 8th grade. One-week camp sessions will take place during the week of June 20, 2022. Each day's session will run from 8:00 a.m.-12:00 noon. Students are responsible for their own transportation. No food will be served. Each camp will run contingent upon enrollment. A student will be considered enrolled once the enrollment and medical forms are complete and a check made payable to the Seacoast School of Technology has been received and cleared. **Camp sign-ups will begin on Monday, March 28, 2022. Registration forms must be postmarked no earlier than Friday, March 25, 2022.** The following camps will be offered on a first-come, first-served basis:

Become a Builder
Week of June 20

Want to learn basic knowledge of hand tools and power tools? Want to learn proper safety techniques to use in a workshop or on a construction site? Sign-up for this camp and each day you will build an exciting new project with the tool of the day. Campers are required to wear pants and no open-toed shoes.
Limit 12 students. Total cost $145

Culinary Arts
Week of June 20

Do you love to bake? Spend a week in our Intro to Baking Workshop! You will practice making new and exciting varieties of cookies, pies and tarts, filled cupcakes, quick breads and yeast breads! You will learn how to use professional tools and equipment while preparing all of these delicious confections. Note: long pants, closed-toed shoes and hair tied back are a safety requirement. Limit 14 students. Total cost $145.

Pet Detectives Wanted!
Week of June 20

Come do some investigative work on what it is like to care for both large and small animals. Students will spend their time learning about chickens, large animals and small animals. Care and handling, as well as important background knowledge will be covered as detectives discover the amazing world of animals. Limit 12 students. Total cost $145.

For the required application and health form, go to **sst.sau16.org.** As a program fills, it will be listed on the website.

The **non-refundable fee** (unless program is cancelled) of $145 is valid for completed applications and health forms received through May 20, 2022.

No refunds for natural disasters, local emergencies, loss of power or water, etc.

A letter confirming your child's placement will be mailed to you after **May 20, 2022.**

For further information or questions, please contact Brenda Schrempf at 775-8461 or bschrempf@sau16.org

Mail forms and payment to: Seacoast School of Technology, Attn: B. Schrempf, 40 Linden St., Exeter, NH 03833
