

Accessing Your Appraisal Forms in MLP

1 First you need to log into MLP with your email address and password.

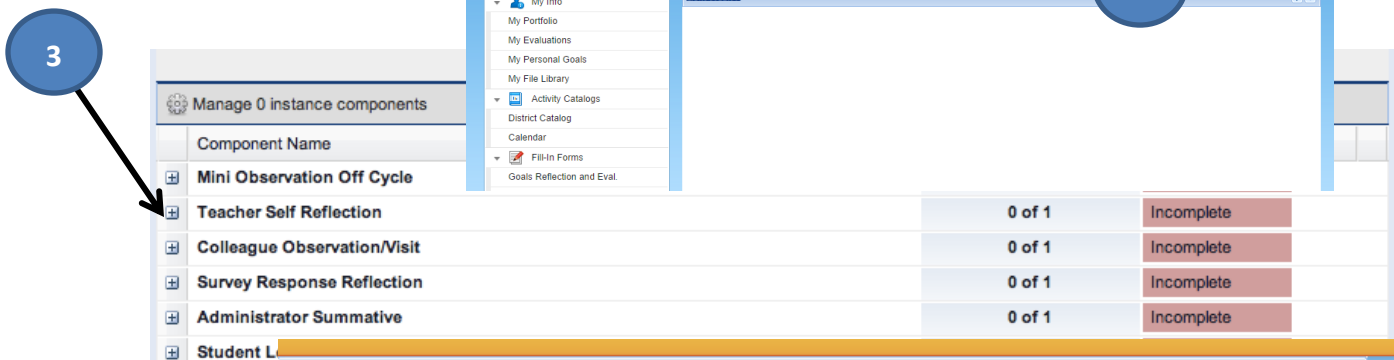

(1) Please go to "My Evaluations" and (2) click on the current year. You will need to (3) click on the little plus sign "+" to open up a form. At that point the form icon should appear. Click (4) on that icon to begin.

Teachers should start with the self-reflection and admin might begin with the mini-observation form. Please communicate with each other and your PLC reps if you need help! Thank you!
