NORTH HAMPTON SCHOOL BOARD **VISITOR ORIENTATION TO MEETINGS**

Welcome to this evening's Board meeting. The Board recognizes the value of public comment on educational issues and the importance of involving members of the public at its meetings. If you wish to be heard by the Board, please note "Questions and Comments From Those in Attendance" at the beginning of the agenda (reverse side). The Comments section of the agenda may not exceed fifteen (15) minutes unless extended by vote of the Board. Occasionally, the Board may 'suspend its rules' to allow visitor participation at the time an issue of specific interest is being addressed.

Visitors should not expect a Board response to their comments or questions under the above since the Board may not have discussed or taken a position on the matter. The Superintendent or designee, without speaking for the Board, may offer clarification as appropriate. When the Board has taken a position, the Chair may state the Board's position. Speakers may offer opinions of school operations or programs but the Board will not hear complaints about school personnel or students in public session.

The North Hampton School Board normally meets in regular session on the third Thursday of the month with special meetings when necessary.

The School Board appreciates your attendance this evening and invites your continued interest in its work on behalf of the children and residents of the District.

Dr. Robert M. Sullivan, Superintendent - 926-8992
