

STUDENT CONDUCT, DISCIPLINE AND DUE PROCESS

The Board endorses the following principles of student conduct:

1. Respect for law and those given the authority to administer it shall be expected of all students. This includes conformity to school rules as well as to general provisions of the law regarding minors.
2. Respect for the rights of others, consideration of their privileges, and cooperative citizenship shall be expected of all members of the school community.
3. Respect for real and personal property, pride in one’s work, and exemplary personal standards of courtesy, decency, honesty, and wholesome attitudes shall be maintained.
4. Respect for individual worth is the obligation of the school. Diligence and a desire to benefit from the opportunity is the obligation of the student.

The Board expects student conduct to be such as to contribute to a productive learning climate. Individual rights are to be honored and protected in all instances; however, the rights of one individual shall not take precedence over those of another individual or of the group itself, and all pupils shall have equal rights and equal responsibilities in the classroom or at any school-sponsored activity.

The Board further recognizes the right of each school to establish disciplinary procedures in accordance with RSA 193:13 and RSA 193-D through the development of administrative procedures which are approved by the Superintendent of Schools or his/her designee. Due process and equal protection of the law shall be afforded to any pupil involved in a proceeding which may result in suspension, exclusion, or expulsion. Students expelled from school may be reinstated by the Board under the provisions of RSA 193:13.
