

RATE OF PAY FOR SUBSTITUTE TEACHERS

The rate of pay for substitutes will be set by the School Board and subject to periodic review. This rate will apply for the first ten consecutive days.

Whenever a fully qualified substitute teacher is required for a period in excess of ten consecutive days, the substitute will be placed on a beginning teacher's rate at the B.S. level for the next ten days.

Whenever a fully qualified substitute teacher is required for a period in excess of twenty consecutive days, the substitute will be placed on the appropriate step of the teacher's salary scale.
