

FISCAL ACCOUNTING AND REPORTING

The District's accounting system shall be in conformance with the New Hampshire Financial Accounting Handbook published by the State Department of Education. An adequate system of encumbrance accounting will be maintained.

The School Board shall receive financial reports and statements showing the financial condition of the School District. These statements/reports shall be prepared on a scheduled basis during the school year, two of which shall contain estimates to project cost for the full year including actual encumbered expenses. The School Board may ask for a statement or report at any time.
