**REQUEST FOR FAMILY/MEDICAL LEAVE OF ABSENCE**

DATE: \_\_\_\_\_

TO: Human Resource Department

FROM: \_\_\_\_\_  
(Employee's Name)

DISTRICT/EMPLOYER: \_\_\_\_\_

This is to request a Family and Medical Leave of Absence for the following reason (*check one*):

- the birth of a child in order to take care of the child (leave must be taken within twelve [12] months of the birth);
- the adoption or foster care placement of a child in order to care for the child (leave must be taken within twelve [12] months of the placement);
- a serious health condition affecting my  spouse,  minor/adult child,  parent, because the ill person is not capable of self-care and I am needed for such care; (*See attached Certification of Health Care Provider.*) or
- my serious health condition which results in my inability to perform my job. (*See attached Certification of Health Care Provider.*)

I wish to commence this leave of absence on \_\_\_\_\_ . I anticipate that this leave of absence will

end on \_\_\_\_\_ .

5. (a) State the approximate date the condition commenced and the probable duration of the condition (and also the probable duration of the patient's present incapacity, if different):  
  
(b) Will it be necessary for the employee to take work only intermittently or to work on a less than full schedule as a result of the condition (including for treatment described in Item 6 below)?  
  
Yes  No   
  
If yes, give the probably duration: \_\_\_\_\_  
  
(c) If the condition is a chronic condition (condition #4) or pregnancy, state whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity<sup>2</sup>:
6. (a) If additional treatments will be required for the condition, provide an estimate of the probably number of such treatments:

If the patient will be absent from work of other daily activities because of treatment on an intermittent or part-time basis, also provide an estimate of the probably number and interval between such treatments, actual or estimated dates of treatment, if known, and period required for recovery, if any:

<sup>1</sup> Here and elsewhere on this form, the information sought relates only to the condition for which the employee is taking FMLA leave.

<sup>2</sup> "Incapacity", for purposes of FMLA, is defined to mean inability to work, attend school, or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery therefrom.

(b) If any of these treatments will be provided by another provider of health services (e.g., physical therapist), please state the nature of the treatments:

(c) If a regimen of continuing treatment by the patient is required under your supervision, provide a general description of such regimen (e.g., prescription drugs, physical therapy requiring special equipment):

7. (a) If medical leave is required for the employee's absence from work because of the employee's own condition (including absences due to pregnancy or a chronic condition), is the employee unable to perform work of any kind?

Yes  No

(b) If able to perform some work, is the employee unable to perform any one or more of the essential functions of the employee's job? (The employee or the employer should supply you with information about the essential job functions.)

Yes  No

If yes, please list the essential functions the employee is unable to perform:

(c) If neither (a) nor (b) applies, it is necessary for the employee to be absent from work for treatment?

Yes  No

8. (a) If leave is required to care for a family member of the employee with a serious health condition, does the patient require assistance for basic medical or personal needs or safety, or for transportation?

Yes  No

(b) If no, would the employee's presence to provide psychological comfort be beneficial to the patient or assist in the patient's recovery?

Yes  No

(c) If the patient will need care only intermittently or on a part-time basis, please indicate the probably duration of this need:

- b. continues over an extended period of time (including recurring episodes of a single underlying condition); and
- c. may cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.).

5. **Permanent/Long-term Conditions Requiring Supervision**

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by a health care provider. Examples include Alzheimer's, a severe stroke, or the terminal stages of a disease.

6. **Multiple Treatments (Non-chronic Conditions)**

Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), kidney disease (dialysis).
