James Sununu called the meeting to **order** at 7:15 p.m.

James Sununu introduced the School Board members, the Superintendent, and the Assistant Superintendent. Dr. Sullivan provided more details on the committee and the search process, which will be led by the Superintendent.

Cindy Burke explained the structure and schedule for the workshop. Gregg Duffy explained the ground rules for keeping the meeting on track.

Gregg Duffy opened the discussion asking participants to think about their North Hampton School future headlines and directed participants to work in their groups to identify 5 characteristics/attributes/priorities they would like to see in the next principal.

Each working group presented their findings. The findings were categorized and the participants voted for the most important attributes to them.

The working groups reconvened to identify detailed descriptors or action items that would be applicable to the 5 highest priority attribute. Each group then presented their second round of feedback, with discussion among the participants.

The meeting concluded with final remarks and reminders about the principal search committee.

Motion: James Sununu moved to adjourn the meeting at 9:30 pm. Gregg Duffy seconded the motion. **Motion passed 4-0.**

Respectfully submitted,
James Sununu
