Grading Policy

- 4- Advanced:** Student performance exceeds the marking period expectation
- 3- Proficient:** Student performance meets the expected grade level skills and knowledge for marking period expectations with consistency, quality, and independence
- 2- Developing:** Student performance is progressing toward the marking period expectations, demonstrating some understanding and application of skills and knowledge with support. Student is not yet independent in demonstrating the skill.
- 1- Beginning:** Student performance is progressing with support, but student is unable to meet the marking period expectation with consistency or quality

Classroom Expectations

- Be on time and present.
- Be respectful.
- Be prepared, be ready to work hard and participate
- No cell phones

Absences/Make-Up Work

Students are required to make up all work missed during an absence. If a student missed an assessment, they will need to schedule a time to make up the assessment during and/or after school.

Extra Help

If you are having trouble with this class, come to me immediately and I can work with you. If you wait till the end of the grading period, it will be TOO LATE.

Homework

Homework will be given. It is expected that all students will complete their homework on time.
