

## Seabrook Middle School Weekly Communication Thursday January 13, 2022

### **Upcoming Dates:**

January 17 - No School, Martin Luther King Jr./Civil Rights Day  
January 19 - SMS Winter Concert @ WHS 6:30 pm  
February 2 - Early Release  
February 28 - March 4 - Vacation Week

**COVID-19 Updates:** Yesterday you should have received an email from Superintendent Nadeau regarding the most recent school board meeting and current COVID-19 protocols. I wanted to let families know that in addition to those protocols we will no longer be sending letters home notifying families of positive cases. Please let me know if you have any questions.

**Music News:** Our Winter Concert is Wed. January 19th at 6:30pm in the WHS auditorium at 1 Alumni Dr. Hampton! Band and chorus students must arrive at 6pm dressed in all black with their music, instrument, and have a mask in case the specialty masks do not arrive in time. Each group will perform 2 songs we have been working on and that meets competencies during the rebuilding phase. The concert is open to the public and the auditorium is a more appropriate and comfortable place to put on a concert. Masks are required at WHS. Hope to see you there!

**Ski Club:** Our first visit and lesson to Gunstock was a success. They continue to make the process fluid for renters and students. Even if you do not participate in lessons, the season pass is a great deal through our ski club.

## Seabrook Middle School Weekly Communication

**Gather Information:** The Gather schedule has changed a bit for January. Here is the schedule...

Thursday 1/6 and Thursday 1/20  
Seabrook Recreation Center  
2:00--4:00

Thursday 1/13 and Thursday 1/27  
Rockingham Village Apartments  
12:00--1:30

**Athletics Website:** Check out the new athletics website for up to date news and information. <https://seabrooksports.weebly.com/>

**Coastal Corner:** The new curriculum website is up and running. Take a look at the great things our students are working on. Thank you Lauren DeConstant for creating this informative resource.  
<https://sites.google.com/sau21.org/the-coastal-corner/home>

**After School Activities Pick Up:** A reminder that people picking students up in cars from after school activities may not park in front of the school. That is for the buses. It is not safe for students to have to go in between cars to get to the buses. You can park up by the cafeteria or in a parking spot. Thank you for your cooperation!

**Cell Phone Use:** We are asking for some assistance from our families. We have had a significant amount of students using their phones to contact home when they don't feel well or they need something. Cell phones are not permitted to be used during the day. It is also difficult for us when we don't know students have called or texted home. If a student doesn't feel well they should see Nurse Sargent and if there is a need to contact home for another reason students should ask an adult to use a phone. Students wanting to call home about after school plans with friends will not be allowed to do so however. Please have your students make plans the day before. Your help with this is appreciated!
